How to get here from Rome, or from southern Italy.

Leave the A1 motorway at the Orte toll gate.

Beyond the gate, take right towards Perugia-Cesena.

20 km after, you'll reach the exits Perugia-Cesena and Zone industriali. Keep left towards Perugia-Cesena. You are on the E45 clearway.

10-12 km after, leave the clearway through the Montecastrilli exit.

Take right just beyond the end of the ramp.

2 km after, take right under a flyover towards Cesi – Portaria.

Keep going for about 2 km up to a white roadsign indicating **La Perticara**.

Just beyond the roadsign, take right and 30 metres after, right again in the little wide stretch our gate overlooks on. You'll see a copper plate on the right pillar, and an entry phone below the plate.
